Placeholder CV

This is a placeholder CV file so the 'Download CV' button on the portfolio website works out of the box.

Replace this file with your real CV before submitting the assignment:

1. Design your CV in Word, Canva, or Google Docs.
2. Export/print it as a PDF.
3. Save it here as: assets/cv/Your_Name_CV.pdf (same filename),
or update the file name in index.html and about.html if you rename it.
